Home for the Downtown Colorado Springs creative community

Artspace Colorado Springs is a new five-story, mixed-use, all-electric building slated to open Spring 2026. Together, the architecture, sustainability features, public art elements, and mix of housing and commercial space reflect the creative energy within the building and affirm Artspace Colorado Springs as a lasting cultural anchor for the city.

Ideal For

- Creative businesses and studios
- Arts and cultural organizations
- Nonprofits and mission-aligned enterprises

Why Artspace?

- Located within a thriving arts campus
- Built-in creative community and visibility
- Nonprofit ownership with a mission-driven approach
